

Create epic 1: Created epic, story,subtask and bug

The screenshot shows the Jira interface with the sidebar open. The 'JIRAAssignment' space is selected. The main area displays a list of issues:

Type	Key	Summary	Status	Comments	Sprint
BUG	JIR-1	Authentication System	IN PROGRESS	Add comment	SJ s
BUG	JIR-9	Login button not working	IN PROGRESS	Add comment	SJ s
BUG	JIR-2	Core Login Flow	IN PROGRESS	Add comment	SJ s
BUG	JIR-6	Implement Login UI Components	IN PROGRESS	Add comment	SJ s
BUG	JIR-4	Validate User Input on Login Form	IN PROGRESS	Add comment	SJ s

A new issue 'JIR-6' is highlighted. A 'Quickstart' button is visible at the bottom right.

Creating subtask:

The screenshot shows the Jira subtask creation dialog for 'Implement Login UI Components'. The subtask is currently in 'In Progress' status. The 'Details' panel on the right contains the following information:

Assignee	shobha jaladurg
Labels	sdsdsdsdsd
Parent	JIR-2 Core Login Flow
Due date	30 Nov 2025
Start date	15 Nov 2025
Story point estimate	2
Development	Create branch Create commit
Reporter	shobha jaladurg

The main panel shows the subtask details and activity logs.

Creating Bug:

The screenshot shows the Jira interface with the following details:

- Header:** Jira logo, search bar, "Create" button, and a notification badge "4 days left".
- Sidebar:** Navigation menu with options like "For you", "Recent", "Starred", "Apps", "Plans", "Spaces", "More spaces", "Filters", "Dashboards", "Confluence", "Teams", and "Customise sidebar".
- Space Header:** "JIRAAssignment" with a summary of 83 items.
- Top Bar:** Summary, Timeline, Backlog, Calendar, List (selected), Forms, Goals, All work, Development, More, and a "4" indicator.
- Search Bar:** "Search list" and "Filter" dropdown.
- Table View:** A table showing a single item "JIR-1" with the summary "Authentication System" and status "IN PROGRESS".
- Sub-table:** A sub-table titled "What needs to be done?" containing three items: "JIR-2" (Core Login Flow), "JIR-6" (Implement Login UI Components), and "JIR-4" (Validate User Input on Login Form), all in "IN PROGRESS" status.
- Buttons:** "Create" button at the bottom of the sub-table.
- Footer:** "Give feedback on the n..." and a "Quickstart" button.

Creating story:

The screenshot shows the Jira interface with the following details:

- Header:** JIR-1 / JIR-2.
- Title:** Core Login Flow.
- Description:** This story focuses on the foundational requirement for any user to simply access the system using basic credentials. For the same create UI for login.
- Subtasks:** A table showing two subtasks: "JIR-6 Implement Login UI Components" and "JIR-4 Validate User Input on Login Form", both in "IN PROGRESS" status.
- Linked work items:** Add linked work item.
- Details Panel:** Opened on the right side, showing the following fields:
 - In Progress
 - Assignee: shobha jaladurg
 - Labels: login_ui
 - Parent: JIR-1 Authentication System
 - Due date: 30 Nov 2025
 - Team: Add team
 - Start date: 30 Nov 2025
 - Sprint: Add sprint
 - Story point estimate: 4
 - Development: Create branch

Move sprint to in progress state:

The screenshot shows a Jira board with the 'Board' tab selected. On the left, there's a sidebar with navigation links like 'For you', 'Recent', 'Starred', etc., and a 'JIRAAssignment' space selected. The main area has three columns: 'TO DO', 'IN PROGRESS' (containing two items), and 'DONE'. The 'IN PROGRESS' item details are as follows:

Summary	Type	Priority	Due Date	Assignee
Login button not working	AUTHENTICATION SYSTEM	DONE	30 Nov 2025	JIR-9
Core Login Flow	AUTHENTICATION SYSTEM	DONE	30 Nov 2025	JIR-2

At the top right, there's a 'Complete sprint' button.

Move sprint to in DONE state:

This screenshot shows the 'Sprint Details' view for 'JIR Sprint 1' from 24 Nov – 8 Dec. It lists two completed work items:

Summary	Type	Status	Due Date	Assignee
Login button not working	AUTHENTICATION SYSTEM	DONE	30 Nov	JIR-9
Core Login Flow	AUTHENTICATION SYSTEM	DONE	30 Nov	JIR-2

At the bottom, there's a '+ Create' button.

Sprint Complete:

The screenshot shows a summary message for 'Complete JIR Sprint 1'. It states: 'This sprint contains 2 completed work items. That's all of them - well done!' Below this, there's a callout box with a checkbox for 'Create a retrospective for this sprint' and a note: 'Finish off your sprint with a Confluence retrospective! Contribute to your team's culture and improve how you work.' At the bottom, there are 'Cancel' and 'Complete sprint' buttons.

Create epic 2:

The screenshot shows the Jira Confluence content creation interface. A modal window is open for an epic titled "User Profile & Account Management".

Description: This Epic is vital for the **usability** and **maintenance** of the application. It covers everything the user sees and manages once they are logged in, effectively dealing with their personal data.

Child work items: Add child work item

Linked work items: Add linked work item

Confluence content: Project plan

Details:

- Assignee: shobha jaladurg
- Labels: business_efficiency
- Due date: 30 Nov 2025
- Team: Add team
- Start date: 24 Nov 2025
- Development: Create branch, Create commit
- Reporter: shobha jaladurg

Automation: Rule executions

Quickstart:

Create story 2, subtask and bug

The screenshot shows the Jira backlog view for the space "JIRAAssignment".

Navigation: Summary, Timeline, Backlog, Board, Calendar, List, Forms, Goals, All work, Development, More

Search: Search, Filter

Table: Shows a list of issues:

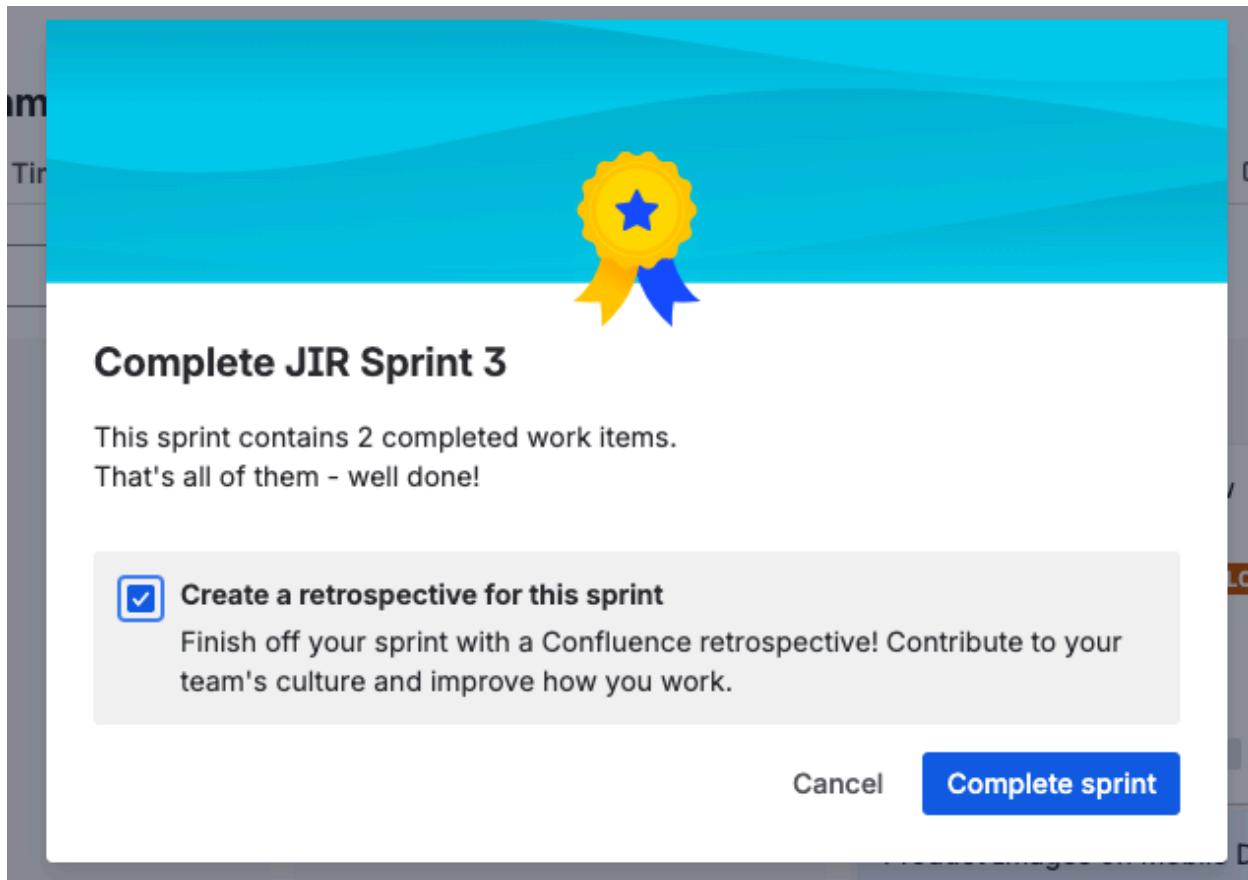

Type	Key	Summary	Status	Comments	Sprint
Story	JIR-1	Authentication System	DONE	1 comment	Sprint 1
Subtask	JIR-9	Login button not working	DONE	1 comment	JIR Sprint 1
Story	JIR-2	Core Login Flow	DONE	Add comment	JIR Sprint 1
Subtask	JIR-6	Implement Login UI Components	DONE	Add comment	JIR Sprint 1
Subtask	JIR-4	Validate User Input on Login Form	DONE	Add comment	JIR Sprint 1
Story	JIR-11	Implement and Optimize Global Search and Filtering	DONE	Add comment	Sprint 1
Subtask	JIR-12	Users can search and view results across the site	DONE	Add comment	JIR Sprint 3
Subtask	JIR-13	Configure Search Indexing and Backend Service	DONE	Add comment	JIR Sprint 3
Subtask	JIR-14	Styling Search Results Block	DONE	Add comment	JIR Sprint 3
Subtask	JIR-15	Product Images on Mobile Do Not Load on First Scroll	DONE	Add comment	JIR Sprint 3

Actions: Group, Filter, Create

The screenshot shows a Jira board for the space "JIRAAssignment". The board has three columns: TO DO, IN PROGRESS, and DONE. In the TO DO column, there are two items: "Users can search and view results across the site" and "Product Images on Mobile Do Not Load on First Scroll". Both items have a status of "IMPLEMENT AND OPTIMIZE GLOBAL S...". The first item is associated with the task "product_search" and due by "15 Dec 2025". The second item is associated with the task "JIR-12". In the DONE column, there is one item: "Users can search and view results across the site", which is also associated with the task "product_search" and due by "15 Dec 2025". The status of this item is "IMPLEMENT AND OPTIMIZE GLOBAL S...".

Move sprint state:

The screenshot shows a Jira board for the space "JIRAAssignment". The board has three columns: TO DO, IN PROGRESS, and DONE. In the TO DO column, there is one item: "Product Images on Mobile Do Not Load on First Scroll". This item has a status of "IMPLEMENT AND OPTIMIZE GLOBAL S...". It is associated with the task "JIR-15" and due by "15 Dec 2025". In the DONE column, there is one item: "Users can search and view results across the site", which is also associated with the task "product_search" and due by "15 Dec 2025". The status of this item is "IMPLEMENT AND OPTIMIZE GLOBAL S...".

Screenshot of the Jira software interface showing a list of work items for 'JIRASignment' space.

The sidebar shows:

- For you
- Recent
- Starred
- Apps
- Plans
- Spaces (Recent, JIRASignment selected)
- More spaces
- Filters
- Dashboards
- Confluence
- Teams
- Customise sidebar

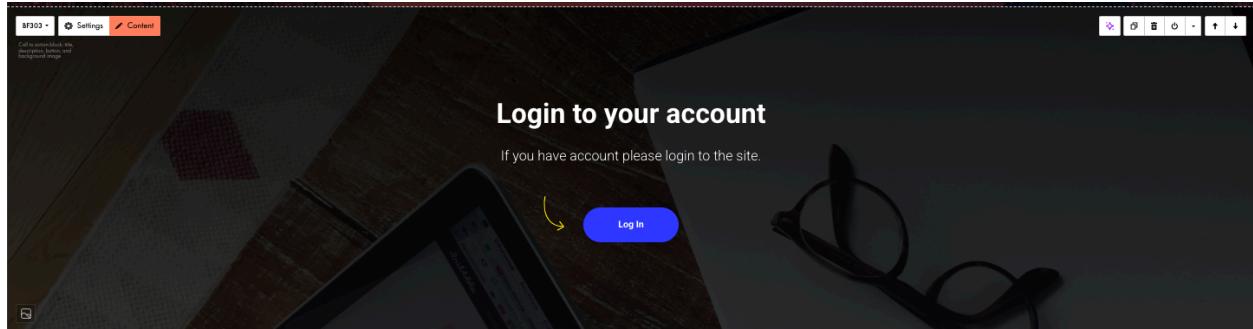

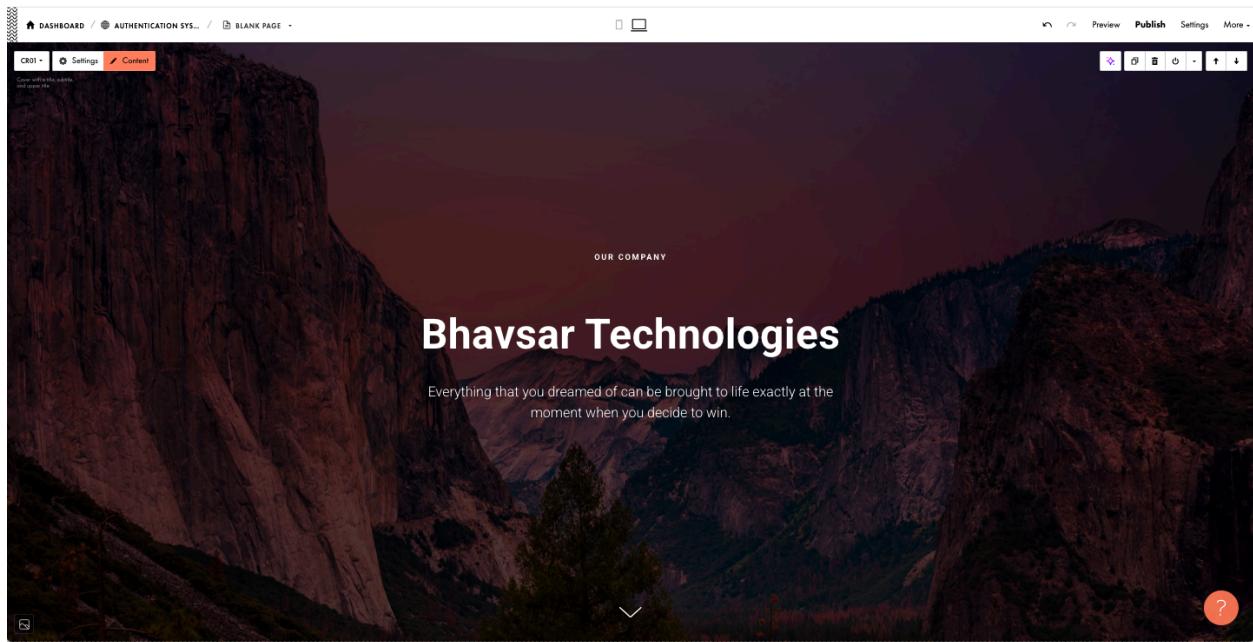

The main area displays the following table of work items:

	Type	Key	Summary	Status	Comments	Sprint	...
<input type="checkbox"/>	BUG	JIR-1	Authentication System	DONE	<input type="button"/> 1 comment	<input type="button"/> JIR Sprint 1	
<input type="checkbox"/>	BUG	JIR-9	Login button not working	DONE	<input type="button"/> 1 comment	<input type="button"/> JIR Sprint 1	
<input type="checkbox"/>	BUG	JIR-2	Core Login Flow	DONE	<input type="button"/> Add comment	<input type="button"/> JIR Sprint 1	
<input type="checkbox"/>	BUG	JIR-6	Implement Login UI Components	DONE	<input type="button"/> Add comment	<input type="button"/> JIR Sprint 1	
<input type="checkbox"/>	BUG	JIR-4	Validate User Input on Login Form	DONE	<input type="button"/> Add comment	<input type="button"/> JIR Sprint 1	
<input type="checkbox"/>	BUG	JIR-11	Implement and Optimize Global Search and Filtering	DONE	<input type="button"/> Add comment		
<input type="checkbox"/>	BUG	JIR-12	Users can search and view results across the site	DONE	<input type="button"/> Add comment	<input type="button"/> JIR Sprint 3	
<input type="checkbox"/>	BUG	JIR-13	Configure Search Indexing and Backend Service	DONE	<input type="button"/> Add comment	<input type="button"/> JIR Sprint 3	
<input type="checkbox"/>	BUG	JIR-14	Styling Search Results Block	DONE	<input type="button"/> Add comment	<input type="button"/> JIR Sprint 3	
<input type="checkbox"/>	BUG	JIR-15	Product Images on Mobile Do Not Load on First Scroll	DONE	<input type="button"/> Add comment	<input type="button"/> JIR Sprint 3	

At the bottom left is a '+ Create' button.

Tilda Project link & Screenshot:

<https://tilda.cc/page/?pageid=97419306>

A screenshot of a landing page titled "Improve Your Business Efficiency". It features a sub-headline "We work hard to make our clients happy". Below this is a video player showing a YouTube video titled "Tilda Main Features" by Tilda Publishing. The video thumbnail shows a green landscape. To the right is a sidebar with a purple header "Apply to participate in our new webinar about social media marketing and building your brand". It contains fields for "Your Email", "Your Full Name", and a phone number field. A blue "Send" button is at the bottom.

A screenshot of a questionnaire titled "Choose Your Ideal Interior Style". The question "What type of furniture do you prefer?" is followed by four image options: "Modern and minimalist" (a living room with a sofa and a large window), "Industrial and robust" (a living room with exposed brick walls and a rustic coffee table), "Simple and functional" (a living room with a sofa and a bookshelf), and "Classic and elegant" (a formal living room with a large sofa, a round coffee table, and ornate furniture). At the bottom left is a progress indicator "Step 1/5". At the bottom right are "Next" and "Back" navigation buttons.
